Happy Rock Art

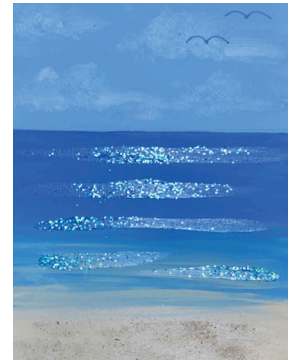

The joy of rocks and turning them into colorful, usable items as you build more confidence and master your skills. Create 6 finished rocks to use in your garden, as outdoor table decor or to give as an act of kindness.

June 18th

SeaScape Space

Create a relaxing ocean scene in this easy to follow, step-by-step painting project. Bring on summer!

Photo Painting

What do you get when you take a simple black and white photo image and add watercolor? A cool piece of pop art that is gallery worthy! Using colored photos of sunsets and ocean scenes for inspiration, we will use watercolor paints and glitter to transform two black and white photo images into bright and colorful pieces of art.

Cape Cod Collaborative Arts Network (CapeCodCAN) provides opportunities for inclusion and active participation in the arts for people with unique talents and all abilities.
