Make a Junk Journal

Do you know what a “junk” journal is? Join us in creating one! We’ll watercolor paint the cover. Then we’ll decorate the inside using different papers, tags, ribbon, washi tape and stickers. This special little book is a great place to keep photos, memorabilia, lists, notes and drawings!

Mixed Media Flowers

April showers bring May flowers. That is proving to be true. Spring is springing with flowers galore. In this project we will combine collage, print making and painting to create these beautiful flower images. Come join the fun.

May 21st **Painted Rock Cacti**

Is it a cactus? Is it a rock? It’s both! We’ll paint our rocks with a cactus pattern and “plant” them in pots for a fun potted plant that looks great and requires no watering at all!

Cape Cod Collaborative Arts Network (CapeCodCAN) provides opportunities for inclusion and active participation in the arts for people with unique talents and all abilities.
